Discover Celebrity Cruises' luxury cruise ships

Set sail on the vacation of a lifetime aboard Celebrity Cruises' award-winning cruise ships.

Their luxurious fleet merges cutting-edge technology with welcoming interiors, revolutionary venues, and spaces. This is Relaxed LuxurySM

Why Celebrity Cruises

Guests can visit up to 8 destinations in one cruise, dine in a new restaurant at every meal, and rest in spaces thoughtfully designed. They have sixteen ships offering unique experiences across more than 300 destinations on all seven continents.

What's included in your cruise fare

Whether your stateroom preference is an inside, oceanview, veranda stateroom, or a luxurious suite, your accommodation will always be included and the level of service from personal concierges to expert sommeliers at every restaurant is of an exceptional standard.

All dining, entertainment and activities, as well as port taxes and fees are included in your fare. You could also upgrade your cruise-only fare to an all-included option with wi-fi and drinks included.

85% of Celebrity's staterooms have verandas, offering the perfect private outdoor space to enjoy a morning cappuccino as you watch the sun rise over the ocean or pre-dinner cocktails as the sun melts into the horizon.
